 - Paint
- Decorating and cleaning up décor will count towards your room rental time, so please plan accordingly so we can ensure that other parties before or after yours can get in on time.

Linens

- Standard black linen napkins provided.
- Table covers not included. Guests may bring their own if desired.

Noise

- While the curtain is intended to create a sound and visual barrier between your event and our regular dining room, it is just a curtain. We will ask that you keep a considerate noise level for your event.
